Ramblings of the Editor

Hi all, In this issue, you will see an ad for my sons Bodyshop, where he has repaired a number of Motorhomes recently. His main problem with motorhomes is obtaining new parts, so I thought it might be a good idea to let you know, and if you are unfortunate enough to have a accident, it's a good idea to pick up any bits that have fallen off, so they can be repaired, and you can have your Motorhome back sooner.

Chairman's Chat

Hello everyone, our camping year is now well under way and after having a look at the different areas fixtures for the coming months, I can see that we have plenty of choices and great venues. The only problem will be deciding which meets to go to as there are so many good ones all over the country. We must not forget our A.G.M meet which takes place at chepstow race course in wales this year. fingers crossed for good weather to enjoy the beautiful scenery in wales.

All areas will have had their A.G.M meets by now and hopefully been able to recruit a full committee. A great deal of work is done on committees by ordinary members so that every member can have an enjoyable time. A very big thank you to committees everywhere.

The motorcaravan section continues to go from strength to strength with membership numbers at over 6,600 at the present time.

Sadly, my time as chairman will soon be coming to an end, and I thank you all for your support and friendship over the last two years. I know that the new chairman will also enjoy that support.

Devon and Cornwall...

The motorhoming season 2017 has now started. The vehicles are being prepared for enjoyable travels to pastures new and old faithfuls.

Roger very kindly organised a winter walk in January. On Sunday 29 January a group of 34 met in the middle of Exeter for a guided walk and talk about Exeter's industrial past starting with the Romans then going onto the industries based on or near the River Exe and the Exeter Canal, in particular the woollen industry. Well done Roger on a very informative day, shame about the weather. The walk ended just after the heavens opened and we were glad to go into "The Mill on the Exe" where 40 members enjoyed a carvery lunch. We were all able to catch up on all the news with other members.

The first meet of the season on 3–5 March was at Budemeadow Touring Park, a last minute change of venue due to unforeseen circumstances. This meet was stewarded by Nigel and attended by 27 vans. The weather was typical March with strong winds and very heavy showers, blowing in from the North Atlantic Coast. This did not deter the hardy bunch of 13 who braved the weather and mud to walk into Bude, along the SW Coast Path, in time for lunch with a taxi ride back. The walk was led by Roger. The site owners had let us have the use of their Games Room which was used on both Friday and Saturday evenings for social get-togethers and Sunday morning's coffee morning and raffle.

East Midlands...

This is my last write up for Waggoners Talk. I would like to thank everyone for their support over the years. I'm sure John Taylor will make an excellent PRO and I wish him well.

Valentine Meet Nether Whitacre

We arrived early at the Nether Whitacre Village hall where we were greeted by Martin and joined by 20 units and given an itinerary for the weekend.

Friday evening was the meet & greet, making new friends and renewing old ones. That was a good place to pay for the weekend out of the cold! Saturday saw us all walking to the local hostelry for lunch, some walked the 1.6 miles to the Plough, others went to the Railway Inn in the village. Excellent food, welcoming host, considering we didn't book.

Saturday evening was a very good bring and share supper laid out at the side of the hall by the committee members. Everyone could choose and share with each other. The cakes were lovely and even a heart shaped sponge cake for Valentine's Day.

A lover related quiz followed which had the grey cells exercised. Then a dice game I had never heard of or tried which cost 30 pence and passed the coins whichever way the three dice indicated (Right, Left or Keep) easy rules and good fun especially the excitement of Chris!

Sunday morning with the farewell coffee morning and raffle, good prizes and yes Chris did win one. Farewells said with assurances to meet at the EMMCS AGM and all vans wended their way home after a really good week end hosted by Martin and Doreen (yes I did pay the £1 fine for getting there early) Thanks to all who made the weekend an enjoyable one even with the snow.

Barry and Doddie.

Hose New Year Rally 2016-17

The rally commenced at lunchtime on the 30th December and during the afternoon 21 vans arrived. In the evening we had a bring and share in the hall, what can I say it was more like a banquet.

Saturday dawned, some people took the bus into Melton Mowbray, while others helped in the kitchen or socialised in their vans. At lunchtime there was a mass exodus to the local hostelry but by three everyone was back and in the hall enjoying tea and cake. Evening came and a lot of masked campers in their finery arrived at the hall to live keyboard music, which really set the ambience for the

evening. We were treated to an excellent three course meal with wine. After the meal we had a casino evening, there was a lot of laughter around the room and so glad we were not playing with real chips as the tables got quite addictive! Midnight saw everyone singing Auld Lang Syne, popping party poppers and toasting 2017 with some fizz, oh and kissing lots of people! After this some of us took to the dance floor for a while. Absolutely a fantastic night from the moment we arrived at the hall till we returned to the motorhome.

Sunday morning dawned but most motorhomes curtains stayed drawn a little later than usual! Now I ask myself was that because it was raining or the frolicking of the night before???

At three we were back in the hall for MORE tea and cake and Dave put on a film show – "Alice Through the Looking Glass" which was most enjoyable. In the evening we enjoyed another meal, can I say at this point what a splendid job Diane and the many people who helped her did. After the meal we were entertained by enjoying "East Midlands Got Talent". What a treat. Richard our compare who did a cracking job not only introducing the acts but in between acts off the cuff had us in stitches with his ditties. All the acts were really entertaining, from singers, to poetry reading, to the amazing Spice Girls and finally the rendition of "The Fastest Rapido in the West", which had everyone in fits of laughter. During the evening we had a raffle with lots of prizes. I am happy to say that Chris was kept happy with her one win!!!

All too soon it was Monday and the farewell coffee morning. Dave and Diane gave the answers to the quiz. Linda thanked everyone for coming and all those who had

helped, and I was a little sad to leave as this New Year's Eve meet was one of the most memorable, although some of our friends were sadly missed.

Ann and Trevor

Write up for Hose Village Hall AGM March 2017

We had an all time record attendance of 25 outfits at our meet this weekend. We also had 53 members attend the AGM. Wow, thank you all for that fantastic support.

Friday evening was a gathering in the hall with a quiz by John, didn't he do well he was the only one who scored 48/48. Well he would, he had the answers!!

Saturday was a relaxing day preparing for the AGM at 2pm. As I mentioned we had 53 members and a huge response for committee members.

In the evening we had a great meal provided by the East Mids catering team so a big thanks to all involved. Then we had entertainment by Natalie Nightingale. She was very good and I can safely say that it was a great evening.

However there was one catastrophe – oh dear, oh woe,

oh my goodness!! Sue came in with a magnificent cake to celebrate her husbands 70th birthday. It was all going so well till.....splat. On the floor perfectly upside down it was. Shortly following the deadly silence was overwhelming laughter. Oh where was the video for "You've Been Framed". And yes it really did happen.

Sunday at the coffee morning we held the raffle and Linda informed us of the positions held by the committee. Our charity for the year is Air Ambulance.

Kent...

Hello from Sunny Kent. It's like a spring morning out there but I suppose it's a bit Springish now we are in March. A bit parky mind you, but it ain't raining - hoorah.

Tomorrow is the day to we re-commission the van ready for our start to the season this Friday (10th March) which is at the pretty village of Lenham. It has two good pubs a coffee/antique shop and a chippy so what more could you want (who said a Strip Club????!!!!)

As you can imagine December to March doesn't lend itself to much camping for the majority of our members particularly if you are a Sissy like me. However several visits were made to the Canterbury Park & Ride by various members who enjoy mooching round the City.

Our Pantomime meet in early January was again fully booked and everyone had fun. (Oh yes they did.....). Another bright spot in January was the South East Region dinner dance at the Cumberland Hotel in Eastbourne. Our group put up ten members who enjoyed a good week end. I like going to Eastbourne as the population of OAPs make me look young.

In early February, Paul Randall led a Winter Walk around Gravesend which I am happy to report was well supported and the weather was kind to them as well. Many thanks indeed to Paul for organising such an interesting walk

Our Giles has organised another great program of meets and rallies for this season which is no easy task as venues are not easy to find. Your own Site Secs will tell you the same story, so get out there and support them!! As they

will tell you, the wages are lousy and expenses non existent but is quite rewarding when members tell you how much they have enjoyed the weekend. Do please support your group and put your hand up when there is a call for committee members and stewards. Remember it's not hard work!!

So enjoy the season and we look forward to seeing you if you a down this way. If you should see me, remember the greeting is Hello Pete what are you having??

Peter Smith

Future Meets:

7th-9th April

£7.50 pupn. White House Farm, London Road, Budletts, Uckfield, E. Sussex. TN22 2EA. **Booked Meet**

13th-17th April

EASTER. £10.00 pupn. Surrey and South London Invitation. Tillingbourne School. New Road, Tillingbourne, Guildford, Surrey, GU4 8NB.

Do remember also that our Sites List is at our Waggoners Talk website.

Midland...

Welcome to the Midland Area

Rugeley Cricket Club,

What a great start of the camping the year with everyone leaving the coffee morning on Sunday still talking about the good time they had had. The weekend started with a get together so people could meet each other and talk about things they had done over the winter. We had our final committee meeting of the term before the AGM at the end of March. Saturday was a day of exploration or a nice meal in the local pub. The afternoon we got together decorated the hall and we got a lovely buffet ready. In the evening everyone was in the hall to welcome Shylie and Jim for their wedding anniversary celebration. We had a some fun throughout the night and everyone joined in with a game of play your cards right and two lucky winners went away with

wine. I am pleased to say everyone was smiling when they went home.

Future Meets:

Ledbury Clubhouse, Ross Rd, Ledbury, Herefordshire.

HR8 2LP. 28th April–1st May

New Members Meet

This is a new venue for us and one we are looking forward to trying. There is easy access to the site from the M50. The site is near to the town centre and is within walking distance. On site the rugby offers use of their amenities.

We would like to welcome new members to join us to try a Midland MCS weekend and have some fun. Being out with like minded campers is enjoyable and we would like to meet new members to see how we can tailor the weekends for as many people as possible.

The Old Priory, Breedon on the Hill. DE73 8AT.

9th June–11th June

This is a popular venue that combines the local atmosphere of a country village with a craft village and farm shop. There are golf courses close by (not sure if pay and play) and a bus route if you want to explore further a field. There are cycle routes nearby and of course the church on the hillside for a walk to get some exercise.

Peak Rail, Rowley Station, Matlock. DE4 2HX.

30th June–2nd July

This venue is good for seeing a variety of different experiences. There is the steam train that runs from the site into Matlock and the rolling stock of bygone times. The steam train opens the opportunities to explore the lovely town of Matlock with its shops and park etc. If you want different ideas then there is Peak Village shopping centre which is in walking distance or the lovely town of Bakewell a few miles further on. Close by is Chatsworth House that is splendid inside and has lovely gardens to enjoy.

Shardlow Marina, Shardlow Derbys. DE72 2GL.

14th July–16th July.

This meet offers good wide open space to relax in and enjoy. It has a restaurant and pub onsite and is set around the marina. The area offers a wide variety of other restaurants and pubs so for those who like to treat themselves to a meal the choice may be difficult. There is a regular bus route to take you between Derby and Loughborough including Castle Donington where the motor museum is housed or East Midlands Airport for those aero enthusiasts.

Midland Members

We have had a great start to the camping year with good support at Rugeley and the campers joining in. This makes the weekends successful as you go home with a happy feeling about the weekend. We now need to carry on with this feeling throughout the year and we can only do it if you support our area, so come along and join in by camping with us (We don't bite.)

We also need your ideas on where you would like us to hold meets in the Midland area as it stretches from Gloucestershire to Derbyshire and Shropshire to Warwickshire?

We would like the members to feel that they have a say in where we camp so they can enjoy the weekends more so if you have ideas for a venue let us know.

We have had some new stewards come forward this year but we would always welcome some more to steward a meet and we have have a couple of meets where the steward has had to drop out so if you are interested then let us know as it's not as hard as you may think and we can pair you up with someone else.

Midland (continued)...

If anyone is interested in joining the committee to help us make the camping better then let us know as we have spaces for more committee members, we only have four meetings a year (and they are at the weekend meets) and helps us get a balanced view of the venues and activities we could be doing.

May I take the opportunity to welcome the new and existing members to the Midland area and hope to see you out and about on a meet? If you haven't camped with us before or if you haven't tried a weekend meet then give us a go. You will find us friendly and have a good time as we can cater for those who want to put their feet up and for those who like to join in.

If anyone would like any information then feel free to get in touch with me or any of our committee members.

Can I add a special mention to those who are stewarding for us this year? You are doing a great job, we really appreciate it!

Please refer to www.waggonerstalk.co.uk for up to date information

All the best

North West...

Seems strange writing this report with the main element relating to Christmas when here we are now heading towards the end of March and well into the 2017 camping season. Perhaps there is a need to re-look at the dates when submitting future section reports.

Well what a great Christmas Party we had at the Kirkland and Catterall Memorial Hall Nr Preston, which was well attended by members and where the Committee did a great job on not only organising this festive weekend, but, putting on enjoyable entertainment and a selection of Christmas music (nice one Peter Lloyd). Games played were hilarious and where the 'dressing the snowman' game was carried out with both merriment and enthusiasm. Well done to all winners.

Thankyou to all members who attended, assisted with siting units, decorating the hall, selling raffle tickets, taking photographs, serving the reception drinks or generally helping overall.

A special thanks must be extended to the WI ladies for not only cooking the Christmas dinner but also serving it in a very professional manner and always to the highest standards

Unfortunately, to the disappointment of members our Burns weekend meet at Freckleton in January was cancelled. I can only apologise and comment, 'lessons learnt'!

February, however, saw members travelling to Cockerham Parish Hall where members enjoyed the weekend meet while celebrating our very own 'Bingo Bob's, Aileen Groves and Brian Langtree's Birthdays. Of course this meet was during the time of Storm Doris where she decided to put an appearance in but did not deter staunch N.W. MCS members from a weekend of celebration.

Infact. One member attending the meet made the following comment, "The wind did not deter the 12 units that attended the meet at Cockerham Village Hall. A Jacobs join on Saturday night to celebrate three members birthdays was enjoyed by all along with a round of bingo and quiz provided of course by birthday boy bingo bob and an assortment of music to sing along to". Excellent.

By the time readers view this report we will have conducted our AGM at Whittingham and Goosnargh and will have hopefully formed a Committee to take us through into 2018. I would like to take this opportunity to wish the new Committee every access for the future and hope that all members of the section enjoy the coming camping season.

All meets start at 2pm, no booking required unless otherwise stated. For further details please look at the monthly 'Out & About' magazine or contact our Sites Officer, Maureen Kaye, through the 'Waggoners Talk' website.

You can also join our Facebook page, a closed group, to keep up to date with our events and current activities . You can find us at: C.C.C.N.W.MCS

Northern...

A fair turnout at Thirsk with socials in the evenings and a table top sale for all those unwanted items that had been cluttering up peoples cupboards both at home and in the van.

The New Year meet was another success and as normal a full house enjoying the entertainment put on for the campers. A big thank you to the organisers Carol and Dennis and all those who gave assistance.

Our winter dinner was down a little on numbers due quite a few people being unwell or otherwise engaged. The meal on the Saturday night was probably one of the best that we have had at the Bridge Hotel. It is booked again not only for next year but also the one after that, so if you want to go put it in your diary now!

At Skipton there was a good turnout of some 70 plus units. Socials being held on both the Friday and Saturday nights and an American supper on the latter. The weather was reasonably kind to us and an enjoyable time was held in the town of Skipton for the shopaholics.

The meet at Drax was down on numbers despite the fair weather.

Future Meets:

5th-9th May - Beech Tree Farm, Sutton on the Forest YO61 1EY. Camping with a 60s theme for the main evening event including of course the music. Buses available for those who wish to venture to York for either culture or shopping. £6 pun

11th-16th May - Unthank Showground, Stanhope DL13 2PQ. A very nice setting on the outskirts of the village of Stanhope. For those who like a walk there is plenty of opportunity to stretch those legs. For others there is a possible trip to a lead mining museum or maybe the local railway preservation society. A hall for socials during the evening. £6 pun

18th-23rd May - Football club ground, Gargrave. A good flat field with canal walks adjacent. Buses available to Settle and or Skipton. £7 pun

25th-29th May - Racecourse, Chepstow. Annual MCS meet with entertainment on during the evenings, see advertisement in the magazine. The annual general meeting of the Section will be held during the weekend, your opportunity to have your say as to how the Section is run.

1st-5th June - Old George public house, Sykehouse, Doncaster DN14 9AU. Another new venue for the Section. Meals available in the hostelry. £5 pun.

June 8th-13th - Village Farm, Old Bilton, Harrogate HG1 4DH. Invite from East & West Yorkshire BCC to join them at this meet. Bed race in nearby Knaresborough over the weekend.

June 22nd-27th - Golden Gates campsite, Chatsworth DE45 1PN. The camping ground is set in the lovely grounds of the Chatsworth estate. Concessions available to tour the house and garden. One meet not to miss! £6.50 pun.

29th June-13th July - Football ground, Settle. Our first THS of the season set in the lovely town of Settle on the edge of the Yorkshire Dales. Opportunities for walks on the hills or maybe a journey on the Settle to Carlisle railway passing over the Ribbleshead viaduct. £8.50 pun and £3 for extra adults over 2.

13th-18th July - Spitalfields Farm & Craft Centre, Staxton near Scarborough YO12 4NW. Another new venue for the Section.

22nd July-6th August - Caedmon College (formerly the Community College), Whitby. The second of our THS's set in the magical town of Whitby. A comfortable walk into the town and harbour for those wonderful fish and chips or maybe a tour of the ancient abbey.

Candidates for Election

Kathy Giles

I joined the Club and the Motor Caravan Section in 1983, and over the years I have been an active member of the Southern Area and in particular the Kent Group where I served on their Committee in various roles, I am also the Secretary for the Southern Area. I was elected to the Section Council in 2002 and served as PRO for 2 years, and then took on the role of Secretary/PRO. In this role as well as doing all the usual secretarial jobs, I manage the Club Stand at Warners shows at Peterborough, Norwich, Malvern & Lincoln. and to recruit new members to both our Club & the Section and chat with existing members. I feel that in taking on these positions, I am able to give back some of the knowledge that I have learnt from members all over the country over the last 33 years. I would like to continue this work for the members and I would ask for your support.

Bill Gosnay

I joined the Club and MCS in February 1985 and became a member of the North West Area, and was elected on to their Committee in August 1985 as Chairman, and continued to be a member of the Committee until 2007 in various roles. I have assisted in organising the Section National rally in 1988, 1995 & 1999. I was the Area Rep to Section Council in 1986 and elected to Section Council in 1990, and became Section Chairman in 1999, and I am now Minutes Secretary. In 2007 a Wales Area of the Section was formed and I served as Chairman, and I am now Wales Area Treasurer.

Rosemary Sexton

I have been a member of the Camping & Caravanning Club for 36 years and for the past 15 years have been the Secretary for the South West Area Motor Caravan Section. In March 2008 I became Area Representative to the Section Council and in May 2008 I became an elected member and Regalia Officer to the Section Council. I have also assisted on the Club stand at The Western Motorhome Show, recruiting members to both the Club and the Section, as well as stewarding the Club Area at the Shepton Mallet Motorhome Shows for many years. I would like to continue to work for both the Club and the Section Council and would ask for your support.

Mabel Shaw

I have been a member of the Club and Section for 37 years. Originally I began camping with my local DA. After gaining valuable experience with the DA, it was then time to see what the MCS on my membership card was all about. My first experience with the Kent Group MCS has stayed with me ever since. I joined the Committee of the Kent Group first as Social Secretary and then as their Chairman. I have also been on the Southern Area Committee since 1999 and have had the pleasure of serving on the Section Council since 2002. From 2005 I had the honour of representing the Section on the Club's National Council a position I still hold today. I was also Vice Chairman of the Club's Sites Committee. My greatest achievement came in 2008 when I was elected to stand as your Chairman. As well as these positions I have assisted on the Club Stand at Malvern, Lincoln and Peterborough. I have enjoyed visiting all the Areas and Groups over the years listening to what they have to say not only about the Section but also about the Club. I would ask for your support so I may continue to represent the Section and the Club wherever I go.

Northern Ireland...

Hi Folks.

Greetings once again from Northern Ireland. As I write it is still only February and we have had Three good meets in January this year. Our first meet in January was in the beautiful surroundings of Tollymore Forest Park in County Down, Fourteen units were in attendance. The weather was kind to us, although cold, the Sun shone for a while allowing us to meet and greet each other outside and to catch up on how Christmas and the New Year had been for each of us. Tollymore is just a short drive to the seaside town of Newcastle, which is where some folk went on the Saturday, others stayed and enjoyed the peace of the park or went walking, (perhaps trying to shed the excess pounds put on at Christmas). No matter we decided to do, it was a good weekend.

20th–22nd January. And our meet was in Beechlawn secondary school in the historic village of Hillsborough, It's castle being the home of Her Majesty when she visits N I. We had no stewards for this meet, but as always some of our group stepped in to help. Friday night we gathered in the hall, Peter our chairman organised a game of charades which was hilarious we had a great nights fun. Saturday dawned cold & frosty, some folk went into the

village meeting up for lunch in the Hillside pub. Saturday night in the hall and Billy sang for a while and then Drew put on a Karaoke. A big Thank you once again to all who stepped into make it yet another great weekend.

17th–19th February. Our meet this weekend was Lisburn Masonic Hall. This is our second visit to this venue which is only a short walk into the city of Lisburn with its many

shops and eateries. Bobby, Pamela & Grace were our Stewards. On arrival we were given a welcome pack which contained leaflets for the places of interest, local eateries, a bus timetable and a surprise box of chocolates, many thanks for your thoughtfulness. The Masonic Hall has a lounge where we meet on the Friday night on the Saturday night there was a dance and a game of Bingo. A good time was had by all.

Future Meets:

16th–19th March

Downpatrick Hockey Club, 2 Strangford Road, Downpatrick BT30 6SL. Entry from 17.00Hrs on the Thursday.

31st March–2nd April

Hollywood Priory School A G M. My Ladies Mile, Hollywood, Co Down BT18 9ER. No Entry before 17.00 Hrs.

Scotland...

As we start our new season I hope that we are as successful in our meets and THS as last year. A number of meet sites are new to this year. We welcome back all our regular campers and hopefully some new faces.

Our first outing is our AGM meet at Cairnsmill (St Andrews) in a few days time. Running from the 15th to the 20th March, this is already fully booked.

With the exception of the above meet, there is no need to book in advance, just arrive, and you will be made most welcome. Our calendar for the next few weeks/months is quite full:

- 31st March–5th April** - Strathallan Games Park Bridge of Allan
- 11th–17th May** - Castle Cary Holiday Park Creetown
- 17th–22nd May** - Glenburn Dairy Troon
- 2nd–12th June** - Benderloch (near Oban)
- 9th–14th June** - Rosehearty Community Boat Club Rosehearty
- 14th–19th June** - Milton Events Field Banchory
- 19th–23rd June** - Brechin Castle Brechin
- 30th June–10th July** - Crieff & Strathearn Rugby Club

One of our THS meets at Benderloch, which we previously thought would have to be cancelled, owing to a change of ownership, and a proposed site re-development, is back on, probably for the last time. This venue near Oban is situated in one of the most beautiful areas of Scotland, and has proved very popular with our fellow campers, both Caravan and Motorhomes. Benderloch is near a beach, and is not far from the village store. It is on a bus route to either Oban or Fort William.

As mentioned in a previous edition of Waggoners Talk, David Blair, an elected Counsellor on the National Committee is looking for more volunteers. David has been tasked to organize a National Rally and AGM in 2018. The rally is taking place from the 31st May to the 4th June at Springwood Park Showground, Kelso (in the Scottish borders.) Any help with the organizing of the event, stewarding, or with catering would be appreciated. Members of SAMCS (or from other areas) would find the experience quite rewarding.

Please contact David by E-mail or Phone.

Southern...

Here we are again at what promises to be another exciting camping year, I must be getting slower as the years seem to be flying by faster than ever. Although the winter has been kind to some of us, some fellow campers have not had it so good. Where does the time go here we are again Easter Eggs are everywhere and today the sun is shining.

Kent Group has started their 2017 season off with a Winter Ramble through Gravesend which was very interesting, as well as being the "gateway to the Port of London" it is also where Pocahontas is buried. I had been through Gravesend many years ago to catch the Tilbury Ferry to see my Grandparents in Suffolk.

Surrey & South London Group had their "Spring Nosh" at the end of February which was held at Cranleigh. Cranleigh is a very bustling village although it reminds me of a small town and has a good few interesting shops. On Saturday we walked to the Village Community Centre for our meal which was excellent and we were entertained by a Group with a female singer. What makes this interesting is the fact that the locals come and join in with the entertainment.

Kent Group holds their first meeting of the season at Swadelands School, Lenham. This venue is fairly close to Maidstone and in fact you can catch a bus to either Maidstone or Ashford. Lenham itself has shops, tea room, hostelrys and even a fish and chip shop.

It's now that time again when the AGMs come around, please if you are interested in what happens to your Group or Area get yourself on to a committee, it is a worthwhile experience and committees are always after "new blood".

On the 12th March Surrey & South London Group will hold their AGM at Tillingbourne School, Tillingbourne near Guildford.

Our Easter Celebrations will take place at Tillingbourne School, Tillingbourne near Guildford and our hosts will be Surrey & South London Group. A full programme of events has been arranged with the inevitable hot cross buns. A social evening has been arranged for Easter Saturday with an Easter Bonnet parade, hopefully we shall see some gentlemen in bonnets this year. On Sunday morning we will be holding the Southern Area AGM.

Let's go camping; even Blue is really getting into the swing of camping and making new human friends. We look forward to seeing you in a field somewhere.

Mabel

Surrey & South London...

Here we are again, happy as can be, all good friends and jolly good company, I can say this when we consider what a good start to the season we had at our Spring nosh in the village hall at Cranleigh with a warm welcome from the local residents and an excellent meal served up with live entertainment to round up a very good evening, and with every one looking forward to the next nosh at the end of the year, and with all the goodies that the committee have in store, I can only say once more, you lucky people, as I type this report we have our AGM this week-end at Tillingbourne where all the plans for next years programme are discussed and new venues we hope found, it is getting to be a problem with ever rising cost, and new developments going up, but still the committee do a grand job, giving a lot of hours to making your camping enjoyable, so why not volunteer to be a steward for one of our meets, it's very easy, just meet and greet with a smile, help from the committee on site, and a good time had by all, just to remind you that our Easter meet a Tillingbourne, with the Hall and hardstanding, also a full programme, with a Bus stop outside the gate to Guildford and Cranleigh so, all we need is some sunshine and happy faces, and we provide the rest.

Wales...

Well folks this year's meets have begun with a visit to Cheltenham at Brairfield Caravan Park, however the our main meet for the year is the National Meet and Annual General Meeting to be held at Chepstow Race Course, so send in your booking form which is printed in this month,s issue of WaggonersTalk.

This year we have meets booked at sites which includes Stratford along with many favourites such as, Brairfield, Ross on Wye, Hereford and the usual meets in West Wales. We welcome new members to give us a try at one of the meets, also members who are touring the area are welcome to join us for a day or two.

As it is year that the Wales area have been chosen to promote the National meet and Annual General Meeting, we have chosen Chepstow Race Course as the venue, with hard standings for all units. The race course is situated in the Wye Valley, which itself is a place of outstanding beauty, only two and half miles from J2 on the M48, which can be reached from M5 North or South, M4 East or West, where ever one may travel from the accessibility to the venue can be reached mainly by motorway. The venue also can be reached from Monmouth via M50 and the Wye Valley, and for those travelling back North take the Valley route to avoid the Severn Bridges and the bridge fee!

Besides Tintern Abbey in the Wye Valley you have the Forest of Dean nearby, also Chepstow itself which is a pleasant down hill walk into the town, you can catch the bus back. Chepstow boasts of a very old castle built to keep the Welsh out, or was it to keep the English out, whatever it was every one welcome in the town, if only for the shopping there is a Tesco for your main food stocks. Nearby we have the towns of Monmouth and with another castle or Ross on Wye.

We have a 5 day pre meet at Caldicott Castle, which is convenient for the National at 6 miles, also only 8 miles from

J2 of the M48. The town is a 20-minute walk for shops or a car park that can take motor homes, further a field there is Newport.

We have booked Happy Valley Rally Field near Porthcawl for post meet after the National, the site has basic toilets and showers, a launderette, chip shop and a club house, also a short walk to a bus stop for a regular bus service to Porthcawl or Bridgend, where you can catch bus or trains to Cardiff or Swansea. Once again the journey to Happy Valley is mainly by the M4 Motorway.

A coach tour have been arranged to visit St Fagans Museum of Welsh Life, 100 acres exhibition site of the way people lived including buildings from all over Wales, and Cardiff Bay, a modern sea front area, the cost being £15 and not £25 as in the previous edition of WaggonersTalk.

We ask all members of the section to get their booking form in early to give Martin and Doreen plenty of time to return stamped addressed envelopes.

A tour of the Balkan states

In search for something different for our annual European tour in our motorhome, we decided to join in the Camping and Caravanning Club's 31 day tour of the Balkan states, previously Yugoslavia. This tour was run for the club by ACSI who provided our Dutch tour leaders, Giel and Anne-Marie van Liempd, and superb routebook documentation.

The tour started in mid May at a site on Lake Balaton in the south west of Hungary, so we first spent three weeks driving there from the ferry port at Roscoff in Brittany across France, Germany, and Austria; visiting Strasbourg, Salzburg, Vienna and finally Budapest on the way. Here we met up with the other eight motorhomes on the tour and enjoyed our first included meal together, and the first of Giel and Anne-Maries' briefings regarding the next few days activities and routes.

The tour proper, a total distance of 1200 miles started here, with generally leisurely drives every 3 or 4 days through beautiful countryside, down deep river gorges, over mountain passes, with lots of optional detours to visit national parks, market towns, castles and numerous monasteries.

Day 3 required us to drive 245 miles (our longest drive) to Sremska Mitrovica a historic riverside city in Serbia, where we camped at a pleasant site attached to a nature reserve. On the arrival evening there was the first round of a boules competition which became a feature of all arrival days. From here there was a coach excursion to Serbia's capital, Belgrade, and a guided walking tour of the city.

Day 6 saw us drive 141 miles south to the more mountainous Serbian ski resort at Zlatibor. The highlight of this scenic location was a 3 hour trip on the Mokra Gora narrow gauge railway which originally ran from Sarajevo to Belgrade, but now only this section reopened for tourists, an amazing feature of which is a corkscrew like descent round a

mountain through 22 tunnels giving spectacular views of the surrounding countryside.

Day 10 and we were driving over the border into Montenegro, an altogether more mountainous country, to Mojkovac in the Tara river valley, in an ancient Black Pine forest from which the country derives its name of Black Mountain.

Next day we embarked on a jeep excursion above the Tara river gorge, which is the third deepest in the world, to the Durmitor National Park, an amazingly scenic mountain area with vestiges of snow still around, lakes, and forests still with a sizeable population of protected brown bears.

Day 13 saw us drive 110 miles south to the seaside resort of Buljarica on the Adriatic coast. From here we had an excursion by coach to Cetinje high in the mountains in the Lovcen National Park which later required a descent down a spectacular narrow switch back road to the historic Venetian coastal port of Kotor.

Finally after a leisure day during which some of us

ventured by coach into Albania, there was an excursion to Lake Skadar, the largest lake in south east Europe, and a boat trip out to see the pelicans, visit an island monastery where we bought some honey produced there, and a visit to a family owned vineyard for a wine tasting of the regional Vranac wine.

Day 17 – an 80 mile drive north along the coast to Dubrovnik in Croatia where we spent 2 days wandering around the ancient port and walking along the fortification walls. We obtained a most impressive view over the city from the cable car up to an overlooking fort.

Day 20 - 90 miles to Mostar in Bosnia Herzegovina for a guided tour of the city and its famous bridge – damage from the civil war still very evident. From our campsite in a cherry orchard at we were able to walk up into the mountains to a castle and to a Dervish monastery at the source of the river.

Day 23 – an 85 mile drive to Sarajevo. A coach tour of the city showed much damage is still evident from the 3 year siege during the civil war in the 1990s, We were able to visit the tunnel built under the airport which became the city's lifeline for supplies during the siege. A guided walking tour of the city revealed a vibrant, historic centre welcoming tourists.

Day 26 - 101 miles north to the old regional city of Jajce, from where we had a coach trip to, and guided tour of Banja Luka, the capital of the ethnic Serbian Srepska region. The

grand final of the boules competition was held at this campsite together with an included evening meal of local fare, and entertainment by a folk dance group.

Day 29 - The final drive of 114 miles took us eastwards to Croatia and the Plitvice Lakes National Park. Here we had a day to visit the spectacular lakes before a farewell meal together in the campsite restaurant.

Our thanks go to our tour leaders, Giel and Anne-Marie, for their hard work ensuring that we all had an enjoyable tour. With 3 weeks left before our return ferry we took the opportunity to see more of Croatia, driving down to Split where the old town is built in the Roman emperor Diocletian's palace, then heading north up the Adriatic coast. We then crossed Slovenia and Austria to the Czech Republic to visit Prague before finally heading west for home.

PRO Report

I am writing this looking out of the conservatory, the sun is shining and "Spring has Sprung". I am sure those of you that did not camp throughout the Winter months are now raring to get 'Out & About' with your unit to meet up with old friends and make new ones.

Bryan and I have continued to camp with friends throughout the winter months and have also met up with new members. The season for all of our Areas and Groups is now underway, and we are looking forward to another successful season. Our Wales Area have been working hard on setting up the 55th National Meet at Chepstow and I would like to say a big thank you to John & Anne, Bill & Iris and Jack for dealing with this on behalf of the Section. If you have not already booked to attend this, then the Booking form is in the back and remember if you pre-book you get entered into a prize draw for £100 towards your expenses.

Finally, I know that this is something that is said every year, but all our Areas and Groups have to have Committees to keep them up and running. Annual General Meetings are being held and all Areas and Groups are always on the look out for new volunteers. The work as I have said before is not hard and is a great deal of fun, so why not give it a go our Areas and Groups always need new Committee members so that they can continue to arrange meets and events.

Look forward to catching up with you in a field somewhere during the season.

Happy Camping.

Kathy

MCS THS's 2017

We would like to extend a warm welcome to all members to our two THS's at Stow on the Wold, in the Cotswolds, and Ludham in Norfolk. The Stow on the Wold THS is to be held from July 13th to August 10th, and Ludham from August 31st to September 19th.

Our site at Stow is at the Rugby Club on flat fields, one and a half miles from the town centre on the road between Stow and Chipping Norton (A436). There are shower and toilet facilities in the club house open 24 hours a day and although there are no electric hook ups we have facilities to charge batteries, mobile phones, razors etc.

Situated on our site is a fleet of 16 seater buses which are run by a charity to take local people to neighbouring towns. They run from Tuesday to Friday and will provide a time table so that campers can use them. Yes, you can have your bus pass. On Tuesdays they will put on a special bus to take campers to Moreton -in - Marsh market. If there is enough interest the bus organisers will lay on a special bus to take us somewhere not on their usual routes within a 30 mile radius. This trip would have to be paid for.

Our site at Ludham is in a pretty village midway between Wroxham and Potter Heigham. There are buses from the village to both of these places and also Great Yarmouth and via connecting services people last year went to Norwich and Lowestoft. Bus time tables are available. Our camping field is slightly sloping so we recommend bringing blocks with you. You will also need your own toilet facilities. On site is a permanent marquee with a heater for our use. Last year the site owner provided us with a cheese and wine evening which was well attended. We also had entertainment on a few evenings from campers who had musical instruments. Hopefully that might happen again this year. A few minutes walk takes you into the village centre which has a fine pub (with a carvery on Wednesdays and Sundays), a village shop with post office and a comprehensive deli counter. There is also a tea room, florist, hairdresser, butcher and health centre. Down a small lane, opposite the camp site, there is a "secret garden" which is owned by the site owner's brother and he welcomes campers to visit. Locally boats can be hired on the broads from Ludham bridge, Womack staithe and Potter Heigham. Organised boat trips depart from Wroxham as well as a steam railway to Aylsham. The site owner has a swimming pool opposite the site and he can arrange for campers to use it for a small charge. There are many walks from the site. One of the more popular is to How Hill (there is also a car park there). There is an old cottage where an eel catcher used to live is now a little museum. This is where you can take a trip on an electric boat along the narrow dykes and stop en route at a hide to watch the birds and other wild life on a marsh. This takes one hour and departs on the hour. Tickets can be bought at the aforementioned Toad Hole cottage but are best booked in advance as the boat only holds six people. A similar boat runs from Wroxham. We look forward to seeing you at one or both of these THS's and hope your appetite to visit has been whetted by telling you of a few of the things the sites have to offer.

Peter Smith

It is with great sadness that Kent Group have to announce the sad passing of their Chairman Peter Smith, he was well loved by all members for his warm welcome and his great sense of humour. He will be sadly missed by all our members and also all the friends that he made within the Section and the Club. Our thoughts are with Wendy and his family.
